

Study Away Options For NURSING MAJORS

*Nursing Majors: **YOU CAN STUDY ABROAD!!** The following is a list of programs which offer coursework in the nursing area. Nursing majors have a more regimented schedule of when various courses need to be taken and therefore **studying for a semester is only possible Spring semester of sophomore year**, provided all pre-requisites to apply to the nursing program are or will be completed by spring semester of sophomore year. Summer study abroad programs or faculty-led programs are a perfect option to take general education courses or fulfill minor or second major requirements, as actual nursing courses must be completed at WSU.*

This list is not meant to be exhaustive, but only a sampling of programs that highlight this major. For a complete list of approved program offerings, please see <https://www.winona.edu/studyabroad/>

This list is not meant to be exhaustive, but only a sampling of programs that highlight this major, college, or goal areas. For a complete list of approved program offerings, please see <https://www.winona.edu/studyabroad/>

BARCELONA SAE

Located in the heart of the city, the Barcelona SAE Academic Study Center (SIS) is our most centrally located campus option. SIS boasts fantastic local and international professors, many of whom are working professionals in the field they teach. SIS maintains small class sizes and focuses on experiential learning, which means that students will get individualized attention and will participate actively during class. Each course includes a variety of field studies, museum visits, and guided reflection that closely tie the courses to the city itself.

Academic Study Center (SIS) + Internship Semester Program

Customized Internship Program (4, 6, 8, 10, or 12 weeks)
