<b>Student Visa(D-2)</b>	<p>* Notes</p> <ol style="list-style-type: none"> <li>All students arrive to Korea with a <b>single-entry</b> Student Visa (D-2) that has a period of three months. Students must obtain their Student Visa (D-2) at least one month before the semester begins. Without a proper Student Visa (D-2), students cannot study at CAU.</li> <li>Please do not use your Student Visa (D-2) for traveling to Korea before the semester starts and go back to your home country (or to a third country), since the Student Visa (D-2) is <b>single-entry</b>. If you want to come earlier and travel with Student Visa (D-2), you cannot leave Korea until you create your ARC.</li> <li>You should come to CAU using Student Visa, not Tourist Visa. You cannot change your Tourist Visa to Student Visa (D-2) in Korea.</li> <li>After arrival, students are supposed to create an Alien Registration Card (ARC) which allows them to live in Korea legally for their entire study period, as well as exit and enter the country freely. Students wishing to leave the country after arrival must book their ARC appointment at the Immigration Office <b>in advance of leaving the country</b> so that they can gain re-entry qualification. For your reference, the ARC is created after the semester begins.</li> <li>Students should leave Korea within 30 days of the semester-end date.</li> </ol>

If a student wants to cancel their application for the dormitory, they need to give a notice at least three weeks before the beginning of the semester. If a student cancels their dormitory application after, they may still need to pay the dormitory fee.</p> <p><b>A TB (tuberculosis) Test result in English, taken within 2 months before the day of entrance to the dormitory (after January 1, 2019 for Spring 2019) is also required for those who are going to stay in the dormitory.</b></p>

<b>Health Insurance</b>	<p>All exchange/visiting students need to be insured during their stay at CAU. We will send more detailed information about the insurance with the Offer Letter.</p> <p><b>It is mandatory to be covered by the insurance policy whose benefits match or exceed \$10,000 USD throughout the study period. Students may purchase their insurance plan at their home country and submit the certificate (in English) upon arrival or purchase the insurance plan arranged by Office of International Affairs. Students are able to purchase very affordable insurance through CAU, which will also make claiming insurance much simpler (approximately \$70 USD).</b></p>
